

## Blanket Size Guide (approx)

blanket type	Inches		centimetres	
	width	length	width	length
Lovey	12	12	30	30
Security	14	17	35	45
baby/stroller	30	35	75	90
crib*/cot*/toddler	40	55	100	140
lapghan/chair	40	50	100	125
throw	50	65	125	165
**single/twin	65	90	165	230
**double/full	90	90	230	230
**queen	110	100	280	255
**king	110	110	280	280

\*NOTE - if you are making a blanket to fit a particular piece of furniture it is best to measure it - these sizes are approximate and typical of blankets with these descriptions

\*\*NOTE - if you are making a blanket for a bed - consider whether you would like to see all of your design on the top of the bed or have the blanket drape over the edges. Again - I suggest you measure the bed and determine the best size.
